Our History *1827 - 1984*

In 1827, Catholic settlers gathered for Mass at a farmhouse about eight miles from Bardstown, near the present site of St. Gregory's Church at Samuels. This situation continued until 1851, when the Catholic families of the area joined in building the first church.

This church, a brick building 50 by 36 feet, was dedicated by the Most Rev. Martin John Spalding on the first Sunday of Advent, November 27, 1853.

For more than 40 years, the congregation of St. Gregory was attended by priests from Nazareth, and for a short time was a mission of Bardstown.

A second church was erected in 1922 under the direction of Father William D. Pike. It was a small red brick building surrounded on three sides by a portico supported by round wooden pillars. The church was located on the site of the present rectory, and was dedicated by the Most Rev. John A. Floersh on July 17, 1923.

That same year, a parish was established at St. Gregory, with Father Leo Smith as the first pastor.

The Depression caused many parishioners to leave the area in search of work, and in 1934 St. Gregory was again attached to Nazareth under the direction of Father James P. McGee. It is Father McGee's leadership that is credited with much of the growth of the parish. Father McGee served St. Gregory for more than 15 years.

The Sisters of Charity of Nazareth have also contributed to the growth of St. Gregory's. They, under the direction of Father McGee, established the first parish school in 1924 in a building once used as a bottling house. Fifty-four students were enrolled in eight grades during the first year. Classes were later held in a private home.

A school building was constructed in 1949, and in November of that year was blessed by Archbishop Floersh. Enrollment numbered about 130.

The present church, a brick building with a buff stone facade, was constructed in 1959. The church, which seats about 400, has blue glass windows and a sanctuary of laminated wood. The last Mass was celebrated in the old church on December 24, 1960. Mass at Midnight on Christmas Day was the first Mass celebrated in the new church.

Also in 1959, the cafeteria was built and the convent was added.

The rectory was constructed in 1969 on the site of the former church.

Kindergarten opened in August 1975 with 15 pupils and Mrs. Marcia Hinton as teacher. Outside of Jefferson County, St. Gregory's is the only Catholic school to have kindergarten.

The parish of St. Gregory now numbers some 400 families, and supports a school of about 100 children in grades kindergarten through six.
